8 The objection taken by the Comptroller is that without prior sanction, the Conservator should not have incurred the expenditure, is correct.

9 The question now is whether to purchase a jubba & turban cloth, in all, not more than Rs 4/- may be sanctioned for the 8 elephant mahouts.

10 It is submitted that as this year's dress has to be supplied before the coming Khedda the supply may be sanctioned for this year alone, and information called for whether any, other servants officials, paid for their work are being supplied with clothes

8 27.9.13. Govt - Sanctioned as a special case, & in view of the forthcoming Khedda, the supply of clothing to the 20 elephant mahouts in the Forest Dept, at a cost Rs 607- in all, - and said that the question of annual supply which the Conservator had urged on his letter would be separately dealt with.

17 In this question has now to be considered.

18 In the first instance it has to be made clear whether these elephant mahouts are borne on the permanent Establishmen of the Dept, or whether they are paid for from the working charges. If they are on the Perm: Est: and if the supply is considered necessary they have to be grouped with the Executive & Protective staff & particular kinds of uniform and the rules relating to the granting uniforms, ~~regarded~~ specially altered so as to admit

Permanent staff & that it seems desirable to provide all of them with a Jubba & a turban.

24 Subordinates. The question whether they should be ~~should be~~ the elephant mahouts should be annually supplied with a Jubba & turban costing Rs 4/- per person, has now to be decided. There are about 20 mahouts.

Rs 20×4 = Rs 80

25 Clothing is generally given to Govt servants for purposes of identification as such in special cases. The mahouts are neither borne on the permanent staff nor are their duties such as to necessitate clothing being given gratis every year. In special occasions such a grant is to be sanctioned for ceremonial purposes &c. Elephants are not owned by any private persons & the reason given by the Conservator that ~~for practice~~ in order the public may know that they (mahouts) are forest employees, the clothing should be given annually, appears to be far from convincing.

SIR,

I have the honour to state that all the mahouts in the Department were supplied with uniforms hitherto on indents received from the District Forest Officers and that a fresh supply has to be made to them in the current year especially, in connection with the forthcoming Kheddah operations. The Comptroller has recently taken objection to the issue of clothing to mahouts without Government sanction. I therefore request the favour of your kindly obtaining the early sanction of Government for the issue of the marginally noted uniform annually to each of the 20 mahouts now in service at a cost not exceeding Rs 4/- each .

I have the honour to be,

Sir,
